### Subject: Letter of Appreciation

Dear Sir,

With the aforementioned subject, on behalf of the Architect Body of Uttar Pradesh, we would like to appreciate you for your efforts in implementing the digital OBPAS (Online Building Plan Approval System Code) during your previous tenure of Principal Secretary, Housing & Urban Planning Department.

It is imperative to move to the online procedure because the offline approach is exceedingly time-consuming and erratic. With this initiative of online system of building plan approval will not only reduce human contact in service delivery but also brings transparency to the overall approval process. It consolidates the procedure at all organizational levels. This method makes it exceedingly convenient for architects, town planners, structural engineers, and the general public to submit standardized applications using cloud computing from anywhere, anytime.

It was undoubtedly a challenging task to integrate all DAs, SADAs & UPVP areas into a single platform, but you and your team managed to make it happen. We absolutely believe it will be essential to the development of the future.

We, therefore on behalf of Uttar Pradesh Architects Association (UPAA), thank you and your team for this great effort.

Thanking You
