**SUB: Regarding the letter/notice relating the violation of The Architects Act 1972 by Ultratech Cement by providing UTEC Platform/App for providing Architectural Consultancy Services**

Dear Sir,

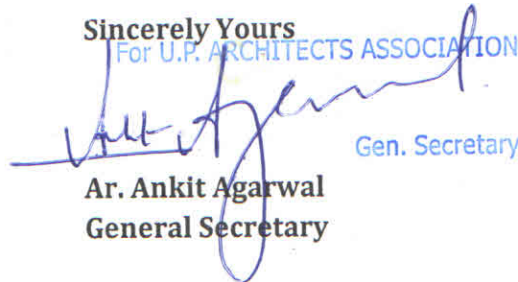

With reference to the above mentioned subject, I would like to appreciate the step taken by the 'Council of Architecture'. It is very commendable and important step of COA. It is obligatory to bar the concerned platform in the interest of Architect fraternity.

Further, in this regard I would like to bring into your kind notice, despite your letter/notice to the Ultratech Cement, it seems that the concerned organisation is not willing to do something in this regard. The app is in violation of 'The Architects Act 1972' and it seems that Ultratech Cement is unconcern to take any initiative to remove the App even with the repetitive warnings by the Various Architects Associations.

Therefore we look forward to you for taking some harsh steps against the concerned organisation (Ultratech Cement) accordingly.

Thanking you.

Sincerely Yours  
For U.P. ARCHITECTS ASSOCIATION
