Subject: Request for Expeditious Transmission of Government Orders
and Circulars related to Housing and Urban Planning

Respected Sir,

With utmost respect, we wish to submit for your kind consideration the need for expeditious and seamless transmission of all Government Orders (GOs), circulars, notifications, and instructions issued from time to time by the Housing and Urban Planning Department to the concerned authorities and offices.

Such communications form the backbone of timely compliance, effective monitoring, and coordinated implementation of government initiatives in the housing and urban development sector. Their prompt availability not only ensures uniform interpretation across all implementing agencies but also strengthens the credibility and efficiency of the system.

It has, however, been observed on certain occasions that due to delayed or non-receipt of official directives, some field-level challenges arise, leading to unintended procedural delays. In light of the Hon'ble Government's vision of transparent governance and effective service delivery, it is humbly felt that institutionalizing a streamlined mechanism for the dissemination of these directions will greatly enhance the impact of ongoing initiatives.

We, therefore, most respectfully request your good office to kindly:

- Ensure that all Government Orders, circulars, notifications, and related communications are forwarded on priority to the concerned offices.
- Facilitate their simultaneous transmission through electronic means (email/official portal) to enable wider and faster access

For U.P. ARCHITECTS ASSOCIATION

PRESIDENT

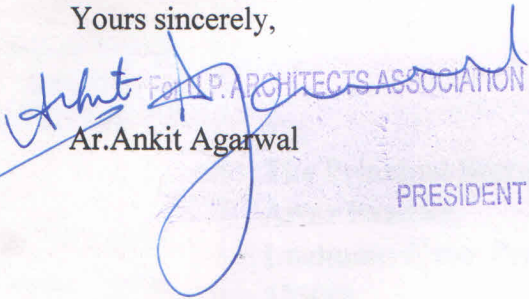

- Consider establishing a centralized repository of such communications for easy reference, uniform compliance, and long-term record-keeping.

Your kind intervention in this matter will not only strengthen the efficiency of governance but also reaffirm the Hon'ble Government's commitment to timely, transparent, and citizen-centric urban development.

We remain confident of your benevolent consideration and necessary action.

With highest regards,

Yours sincerely,

Ar. Ankit Agarwal
